

What is MULTIPLY?

Multiply is a wellness and rewards programme that offers members discounts on products and services from programme partners. Members also enjoy access to benefits and discounts when they engage in activities that encourage and ensure a healthy physical and financial lifestyle.

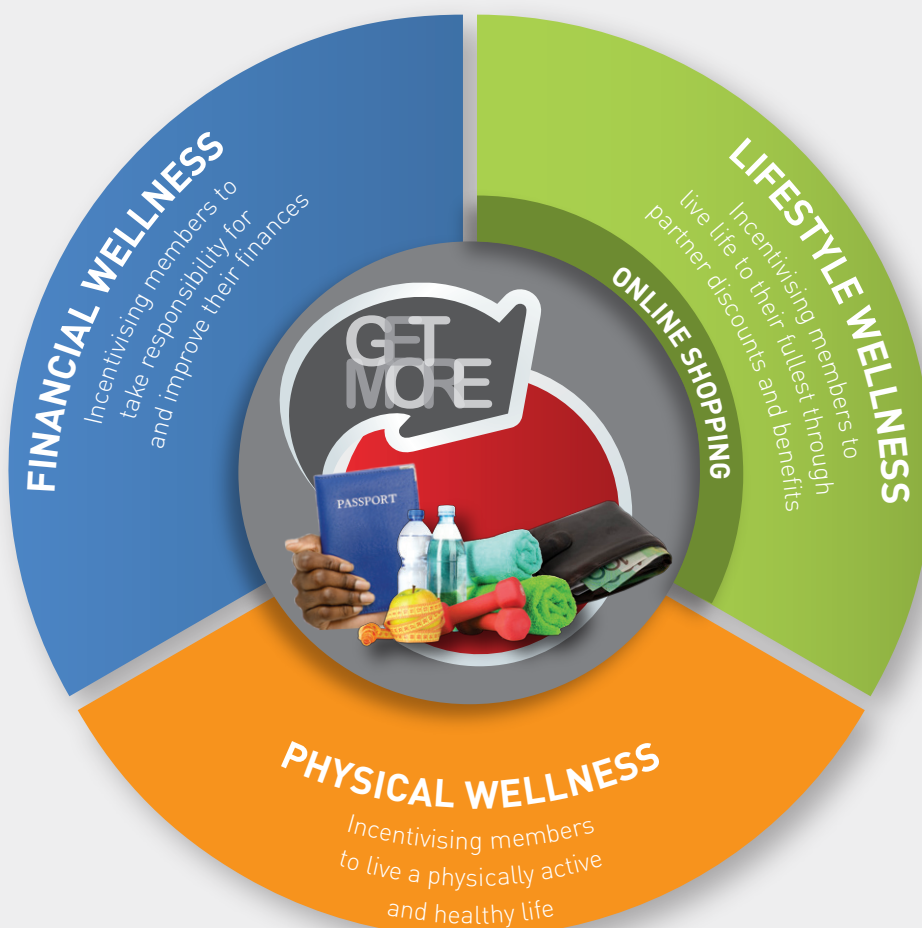

The programme is based on a points system - members earn Multiply points for engaging with partners and tools to look after their wellbeing.

Earning more points can improve members' Multiply status, which means they get access to even greater

discounts. Full details about Multiply points, statuses, benefits and partners can be found at www.momentum.co.za/multiply

The purpose of Multiply

The aim of the Multiply wellness and rewards programme is to encourage members to participate in activities that encourage physical, financial and lifestyle wellness and to then reward them for doing this.

Multiply has two product offerings

- Base Multiply (free).
- Multiply (paid-for option) - often referred to as "Full Multiply".

Base Multiply

What is Base Multiply?

Base Multiply is a free offering for members on qualifying medical schemes and employer groups

Who qualifies for Base Multiply?

The following people who belong to a qualifying medical scheme get Base Multiply for free:

- Principal member
- The principal member's spouse or partner
- Adult dependants on the medical aid

Base Multiply partners

Members on Base Multiply have access to a select group of partners available on the Multiply wellness and rewards programme.
